Introducing our new single piece, **seamless** polypropylene siding that offers a high-durability solution for trailer exteriors, specifically engineered to withstand **heavy-duty use!!**

Key Performance Features

- **Impact Resistance:** Designed to withstand high-velocity impacts from road debris (rocks), hail, and job-site tools without denting or puncturing.
- **Environmental Stability:** Resistant to moisture, rot, corrosion, and mildew; expansion and contraction rates are comparable to aluminum.
- **Chemical Resilience:** The resin is unaffected by harsh cleaning chemicals and common solvents.
- **Maintenance:** No more seams or weak points. The seamless, rigid surface is easy to clean and simple to repair if damage occurs.
