Description

Outback ® DLX Enclosed Car Trailer
The Outback® DLX Enclosed Car Trailer delivers practical performance and all-around durability in a dependable enclosed car trailer. Designed with a rugged frame, reliable towing components, and top-tier protection features, it’s built to keep your cargo secure and your trailer looking sharp, mile after mile.
You need a trailer that can handle the demands of your work and adventures. Pace American trailers are built for long-term performance, giving you the confidence to haul whatever, wherever.
Key Benefits
16" On-Center Steel Crossmembers
Reinforces the deck for heavy loads and consistent support across the trailer floor.Asphalt-Based Undercoat
Shields the trailer’s underside from moisture and road grime to extend structural life.Semi-Screwless Exterior
Combines bonded panels and color-matched screws for a clean, modern appearance that lasts.Single Piece Aluminum Roof
Minimizes seams and leaks, giving you better long-term weather resistance and durability.
Why Choose a New Outback ® DLX Enclosed Car Trailer?
Overview
The Outback® DLX Enclosed Car Trailer is the reliable enclosed trailer you need for uncompromising transport for your cars and gear. Built with a steel frame and a rugged triple-tube tongue, this trailer is ready to handle demanding loads with smooth, stable performance. With a clean, aerodynamic V-nose profile and eye-catching finish, it’s equally at home on the open road or at the track.Interior Features
Inside, the Outback® DLX is designed for strength and utility. Standard features include a 3/4" engineered wood floor, durable Lauan ceiling planks, and fully lined engineered wood walls. Recessed interior steps and (4) 5000 lb. D-rings provide safe, easy access and strong tie-down points. Interior LED dome lighting is paired with a convenient 12V switch for added visibility.Exterior Features
This enclosed trailer stands out with its .030" aluminum exterior and semi-screwless bonded seams. Protective elements include smooth aluminum fenders, a 16" ATP stone guard, and color-matched trim. It rides on tandem 4" drop spring axles with electric brakes and radial tires, providing the strength and stability to haul with confidence.Built to Go the Distance
Designed for long-haul durability, the Outback® DLX features a fully undercoated frame, a seamless aluminum roof, and color-matched screw-and-bonded exterior panels. Its robust steel construction, premium running gear, and enhanced moisture protection give you confidence for every mile ahead. Whether you're hauling classic cars or everyday equipment, this enclosed trailer is built to deliver dependable performance with a polished finish.
