Description

This 2026 Homesteader Intrepid 6 x 12 ft cargo trailer offers a 5 ft 8 in interior width alongside its 6 ft interior height, giving you a bit of extra elbow room inside for its size. Leaf spring suspension and 15-inch wheels and tires deliver a smooth tow, and the ramp door makes loading straightforward. A 3/4-inch floor and 3/8-inch walls build a solid interior, and recessed D-rings keep tie-down points flush and out of the way when not in use.

The V-nose front and one-piece roof help the trailer cut through wind and shed water, and the side door adds quick access without lowering the ramp. LED lighting keeps the trailer visible on the road. With a 2,990 lb GVWR, this Homesteader Intrepid cargo trailer in White is priced at \$4,999.
