Description

This 2025 Lamar Trailers 6 ft 6 in x 12 ft tilt trailer makes loading low-clearance equipment easy by tilting the entire steel deck down to ground level, eliminating the need for separate ramps. A diamond plate floor provides excellent traction, and weld-on D-rings give you solid, permanent tie-down points. A single 7,000 lb axle with electric brakes and 16-inch wheels and tires handles stopping power, and a spare tire mount keeps you covered on the road.
A front tongue tool box keeps straps and tie-downs organized and within reach, and the adjustable coupler simplifies hitching. LED lighting rounds out the build for safe towing after dark. With a 7,000 lb GVWR, this Lamar tilt trailer in Gray is priced at $5,999.
Key Specs:

- Floor Size: 12 ft (144 in) x 6.5 ft (78 in)
- GVWR: 7,000 lbs
- Weight: 1,965 lbs
- Payload Capacity: 5,035 lbs
- Axles: 1, 7,000 lb, electric brakes
- Color: Gray
- Price: $5,999
