Description

Wood Deck Car Hauler Trailer

Built to handle your vehicle transport needs with ease, all CAM Superline® Wood Deck Car Hauler Trailers combine rugged construction with smart features for dependable performance. Whether you're hauling a show car or daily driver, this car hauler trailer delivers the strength, flexibility, and reliability you need.

Key Benefits

Adjustable Coupler – Flexible Towing Fit

Easily align with different tow vehicles for safer, more stable towing every time. 7K Drop Leg Jack – Strong and Steady

Supports heavy loads with confidence, making hitching and unhitching a breeze. Beavertail and Steel Ramps – Easy Loading

Drive your vehicle on and off smoothly, even with low ground clearance. D-Rings and Stake Pockets – Secure Your Load

Multiple tie-down points give you versatile, reliable cargo control on every trip.

Why Choose a New Wood Deck Car Hauler Trailer?

Overview

CAM Superline®'s Wood Deck Car Hauler Trailers are built to perform under pressure. Designed for operators who demand strength, simplicity, and value, these trailers make it easy to transport cars and small equipment with confidence. The wood deck construction provides durability and grip, while the low-profile design enhances loading ease.

Available Models

These car hauler trailers come in a variety of lengths and capacities to match your hauling needs. Whether you're towing a compact car or full-size SUV, CAM Superline® offers sizes that strike the right balance of deck space and maneuverability.

Standard Features

Every CAM Superline® wood deck car hauler includes an adjustable coupler, a robust 7K drop leg jack, steel loading ramps with a built-in beavertail, and a treated wood deck for lasting toughness. Stake pockets and D-rings give you multiple options for tie-downs, and the full steel frame ensures years of dependable use.

Options

Upgrade your trailer with available features like aluminum wheels for a premium look and lighter weight, or add a winch mount for easier vehicle recovery. Choose removable fenders for better clearance, spare tire and wheel for emergencies, or additional cargo control options. Mud flaps are also available to help keep road debris off your cargo.
