Price: \$7,995.00

Description

The Pace American 7x14 Outback DLX Cargo Trailer is a stylish and durable trailer built for dependable hauling performance and everyday versatility. Featuring a sleek flat top sloped V-nose design, this trailer offers improved aerodynamics along with a modern, professional appearance. Finished in premium .030 black composite exterior panels, it delivers a bold look while providing long-lasting durability and low-maintenance performance.

Built with tandem 3,500 lb. axles, this trailer offers reliable towing stability and hauling capability for equipment, motorcycles, ATVs, or recreational cargo. The spacious 84" interior height provides added room for taller cargo, while the rear ramp door with an upgraded 12" ramp extension allows for smoother loading and unloading. A convenient 32" side entry door offers easy access to the interior, and the LED interior light improves visibility inside the trailer.

Additional premium upgrades include black aluminum wheels for an aggressive custom appearance, a matching spare 205/75R15 black mod wheel and tire, and upgraded 16" on-center tube wall posts for enhanced structural strength and durability. Combining rugged construction, premium features, and sleek styling, the Outback DLX 7x14 is built to handle both work and recreation with confidence.
