Description

Hydraulic Dump Trailers
Homesteader takes great pride in the meticulous design, exceptional craftsmanship, and superior quality that goes into producing every dump trailer. Our dump trailers are unrivaled in strength and reliability, thanks to their heavy gauge steel floor and sidewalls, and the additional reinforcement provided by our robust frame.
What sets our dump trailers apart from others in the market is the array of standard features we incorporate to enhance their user-friendliness. These include a tarp with integrated cover, multi-functional tailgate with auto-latching door handles and hold backs, stake pockets, E-Z Lube hub axles, and a battery with an on-board charger. These features, along with others make our dump trailers unparalleled for convenience and ease of use. To accommodate individual requirements, our dump trailers can be customized with various options.
Homesteader dump trailers come with a 3-year limited warranty. Rest assured, when you choose a Homesteader dump trailer, you are selecting one of the finest products available on the market today.
