Price: $8,499.00

Description

Hauling wide-wheelbase vehicles shouldn’t be a game of inches. The H&H® Full-Width Speed Loader® EX is a premium tilt car hauler engineered to eliminate the stress of narrow decks and steep ramps. By extending our proven Speed Loader platform to a 102? full-width deck with standard drive-over fenders, we’ve created a safer, easier way to load your car. Whether you’re moving a wide-track trophy truck or a modern UTV, this hydraulic tilt trailer ensures that if your vehicle is street-legal, it fits—no outriggers or manual ramps required.
