Description

The Contractor Pro Bullnose Enclosed Cargo Trailer is made for professional contractors and amateur small businesses alike. It has all the right features to conveniently haul your tools and equipment to the jobsite and keep them organized in the process. With the Contractor Pro by your side, you'll always be prepared for whatever the jobsite has in store.

Key Benefits

6' Extended Triple Tube Tongue

Strong structural integrity to keep your trailer and equipment safe.

Braced And Gusseted Walls

Durable exterior to withstand weather and wear and tear.

9' x 14' Corner Gussets

Stronghold points at the joints of the trailer to keep its' beefy frame held together.

4' x 4' Gussets reinforcing Wall Posts to Frame

More reinforcement to help keep the skeleton and exterior of the trailer bonded together.

Premium Interior Trim

The interior walls of this trailer are covered in 3/8" plywood wall liner – and we use aluminum H-trim instead of stapled lauan trim at the seams because it's more durable and looks better.

Flat Front Full Width Interior Wall »

A flush Flat-Front design to fit a workbench in the front of your trailer so you've always got a place to work on the go.

Integrated Backup Lights

Perfect for those late nights and early mornings when putting that extra work in.

Why Choose a Sure-Trac Contractor Pro Bullnose Enclosed Cargo Trailer?

With the Contractor Pro by your side, you'll always be prepared for whatever the job site has in store.

This trailer was built to suit the demanding applications of General Contractors. With the extensive customization options available, you may not need another trailer after the Contractor Pro Bullnose

Cargo.
