Description

When the job calls for more people, more gear, and more gusto, the UFORCE 800 XL answers without hesitation. Built around a 63 hp V-Twin engine and the buttery-smooth OmniDrive™ transmission, this machine handles heavy loads, rough terrain, and long days like it was born for it. Bench seating for four means nobody gets left behind, while a 660-lb. dump box and 4,500-lb. winch turn big tasks into big results. It's a utility side-by-side with the heart of a workhorse and the hustle of a cowboy.
