The powder-coated steel C-channel frame and tube rail sides stand up to regular outdoor use, and the spring assist gate makes loading equipment or debris much easier on your back. Flat hook pockets, S-hook holes, and E-track accessory slots give you plenty of tie-down options, and EZ lube hubs keep service simple. The A-frame tongue, setback tongue jack, and 2" coupler make hookup quick, and LED lighting and radial tires finish the build.
