Description

Black Rhino EX Series – Built Tough. Priced Right.

The Black Rhino EX Series delivers rugged performance and unbeatable value for those who need a tough, reliable aluminum utility trailer without breaking the bank. Designed for workers, business owners, and weekend warriors, the EX Series is built to haul equipment, tools, and powersports toys with confidence.

A reinforced 14” side rail keeps your cargo secure and stable, while the heavy-duty rear gate ensures effortless loading and unloading. Crafted from high-strength aluminum with expert welding, this trailer offers lightweight durability and corrosion resistance to handle whatever the job—or the adventure—throws your way.

For those looking for a high-performance aluminum trailer at a budget-friendly price, the Black Rhino EX Series is ready to roll.

6’X12”, Prowood Treated Deck, Steel Wheels, 3500 lb axle, 2,795 lb payload
