Price: $5,800.00

MSRP: $7,500.00

Description

Why Dealers (and Customers) Love Tilt Trailers:
No ramps required – faster, safer loading for vehicles and equipment
Smoother operation – dampening cylinders give controlled tilt and descent
Versatile use – from ATVs, UTVs, motorcycles, and small vehicles to landscaping gear and jobsite equipment
Black Rhino Tilt Series – Strength. Simplicity. Innovation.
The Black Rhino Tilt Series is engineered for customers who want a heavy-duty aluminum trailer that makes loading and hauling easier than ever. Designed for versatility, this award-winning tilt trailer eliminates the need for ramps—perfect for powersports, landscaping equipment, vehicles, and jobsite gear.
With heavy-duty dampening and extension cylinders, the Tilt Series delivers a smooth, controlled tilt and descent, making loading fast, safe, and hassle-free. The exclusive interlocking aluminum RHINO-DECK provides unmatched durability under load, while torsion drop axles, full LED lighting, and HD tie-down loops ensure stability, visibility, and secure transport every time.
Built on a rugged tubular frame with 25% stronger welds and finished with 14" aluminum wheels, the Tilt Series combines strength and style in one rock-solid package. Optional upgrades like a spare mount & wheel or additional HD tie-down loops give your customers even more hauling flexibility.
Fresh off its TRAILmakER™ Trophy: Best in Show win at NATDA, the Black Rhino Tilt Series is more than a trailer—it’s proof that strength and innovation can go hand in hand.
If you’re looking for a tilt trailer that delivers simplicity, versatility, and award-winning performance, the Black Rhino Tilt Series is built to rise above.
? Meet the Black Rhino Tilt Series
Built for the toughest jobs and designed for ease of use, the Tilt Series blends raw strength, precision engineering, and customer-first features that make loading and hauling effortless. Whether your customers are transporting equipment, powersports, or vehicles, the Rhino Tilt is the trailer that adapts to their world.
