Description

This 2027 HTC 6' x 10' steel utility trailer in Black gives you the same rugged basics as HTC's larger trailers in a more compact size. A powder-coated steel C-channel frame and tube rail sides hold up to daily use, and the spring assist gate makes loading mowers or general cargo simple. Flat hook pockets and S-hook holes offer multiple tie-down points, while EZ lube hubs keep maintenance quick. The A-frame tongue, setback tongue jack, and 2" coupler make hitching up easy, and E-track accessory slots plus LED lighting round out the build. With a 2,990 lb GVWR and 2,130 lbs of payload capacity, this HTC utility trailer is priced at \$2,699.
