Price: $3,750.00

Description

Utility Dump
The Utility Dump Trailer is a versatile solution designed for both property maintenance and street-legal use. Ideal for homeowners and small property managers, this trailer is perfect for hauling your ATV, lawn mower, or other equipment around your property, as well as for tasks like wood cutting and landscaping. Its smart, multi-functional design makes it highly adaptable to a range of uses, whether you're working in the yard or transporting equipment.
One of the standout features of this trailer is its removable front and rear panels, which double as convenient ramps for easy loading and unloading. This makes it a breeze to transport your equipment without the need for additional ramps or complicated setups. When you're done with the trailer, the detachable tongue allows for compact storage, making it ideal for those with limited space in garages or sheds.
