Description

1998 Trail King Pintle Equipment Trailer
This 1998 Trail King Equipment Trailer is a dependable heavy-duty hauling solution designed for transporting construction equipment, tractors, skid steers, and other machinery. Featuring a 23,000 lb GVWR, this trailer is built with the durability and strength that Trail King trailers are known for. The trailer is equipped with a 24-foot deck and a durable oak wood floor, providing a solid platform for loading and transporting equipment. Rear loading ramps allow for easy loading and unloading of wheeled or tracked machines, while the pintle hitch configuration offers a secure connection for medium- and heavy-duty towing applications.
Built for reliability and everyday use, this Trail King trailer remains a practical option for contractors, farmers, and equipment operators seeking a proven equipment-hauling trailer at an affordable value.
Key Features:
