Description

30' Low-Pro Flatdeck Gooseneck Trailer
This 30' Low-Pro Flatdeck Gooseneck Trailer is built for dependable performance and versatility, making it an excellent choice for hauling equipment, vehicles, construction materials, and agricultural loads. The low-profile design provides easier loading, improved stability, and enhanced towing characteristics for demanding commercial and farm applications.
Featuring a 30-foot deck and tandem 7,000 lb Dexter electric brake axles, this trailer delivers a 14,000 lb GVWR with reliable braking performance and smooth towing. A 5' dovetail with dual flip-over monster ramps provides convenient loading and unloading of tractors, skid steers, vehicles, and other equipment while maintaining maximum deck functionality.
The trailer is equipped with a 30,000 lb square-neck gooseneck coupler and integrated toolbox, offering secure towing capability and convenient storage for chains, binders, and hauling accessories. Finished with a durable primer and black powder coat finish, this trailer is designed to withstand years of hard use while maintaining its professional appearance.
