Description

Journey® SE Enclosed Car Trailer
The Journey® SE Enclosed Car Trailer is a premium enclosed car trailer engineered to deliver secure vehicle transport, lasting durability, and standout style. Built on a rugged steel tube frame and loaded with pro-grade features, this enclosed trailer is ready for demanding hauls and long-distance trips. Choose between v-nose or round front profiles for the aerodynamic edge or classic form that fits your towing setup.
You need a trailer that can handle the demands of your work and adventures. Pace American trailers are built for long-term performance, giving you the confidence to haul whatever, wherever.
Key Benefits
16" On-Center Floor, Walls, and Roof Spacing
Ensures superior structural integrity and durability across the entire trailer frame.VHB Bonded, Screwless Exterior
Delivers a smooth, professional look while reducing the risk of panel warping or fastener corrosion.High-Performance Engineered Wood Walls and Floors
Offers a stronger, more resilient surface ideal for heavy-duty cargo and automotive loads.One-Piece Aluminum Roof
Prevents leaks and reduces maintenance by eliminating seams across the roofline.
Why Choose a New Journey® SE Enclosed Car Trailer?
Overview
The Journey® SE Enclosed Car Trailer is the go-to choice for serious haulers in need of an enclosed car trailer built for protection, performance, and polished presentation. Whether you're hauling collector cars, track builds, or show vehicles, this model delivers the strength and security you demand. With two aerodynamic front styles available, you can match the trailer’s profile to your towing needs.Interior Features
Inside, you’ll find robust high-performance engineered wood walls and floors built to withstand heavy cargo and repetitive loading. Precision-built with 16" on-center spacing throughout the floor, walls, and roof, the Journey® SE offers enhanced strength and structural consistency across the board. Integrated LED lighting and built-in D-rings provide the convenience and security professionals expect from a premium enclosed trailer.Exterior Features
From the outside, the Journey® SE stands out with its VHB bonded, screwless aluminum exterior panels for a clean, seamless look. Radial tires, a 3,500–7,000 lb. spring axle range (depending on model), and a durable undercoated frame ensure confidence on every haul. A one-piece aluminum roof adds an extra layer of weather protection, while the standard curbside entry door offers easy access and convenience at every stop.Custom Options
Available in a wide range of sizes and configurations, the Journey® SE Enclosed Car Trailer is designed to adapt to your needs. Choose your preferred axle setup, interior upgrades, ramp options, and trim packages to build a trailer that performs exactly how you want. Whether you're looking to enhance curb appeal or increase functionality, Pace American offers a full lineup of customization options to help you haul with pride.
