Description

TB Series Tilt Trailer

The TB Series Tilt Trailer is engineered for effortless loading and unloading with its hydraulically locking tilt deck. Designed for heavy-duty use, this tilt bed trailer features a 16-foot tilting bed, an 83-inch wide deck, and a 12K spring return jack for easy operation. Whether transporting equipment or vehicles, this tilt deck trailer delivers reliability, durability, and convenience for professionals who demand top-tier performance.

You need a trailer that can handle the demands of your work and adventures. Midsota trailers are built for long-term performance, giving you the confidence to haul whatever, wherever.

Key Benefits

Hydraulically Locking Tilt

Ensures smooth, controlled operation for safer and more efficient loading and unloading.16' Tilting Bed

Provides ample space to accommodate a variety of equipment and vehicles with ease.12K Spring Return Jack

Allows for quick and effortless hitching and unhitching, reducing setup time.83" Bed Width

Offers a spacious deck to fit wider loads, enhancing versatility and transport capacity.

Why Choose a TB Series Tilt Trailer?

Overview

The TB Series Tilt Trailer is built for users who need a reliable and efficient way to load and transport heavy equipment. Its tilt bed design eliminates the need for cumbersome ramps, making loading faster and safer. Whether you're hauling construction machinery, farm equipment, or vehicles, this tilt deck trailer is designed to handle tough jobs with ease. Built with a focus on durability and ease of use, the TB Series ensures every load is secure and stable.Available Models

The TB Series offers a range of models from 18 to 26 feet, and 15,400 to 17,600-lb GVWR, to accommodate different hauling needs. This tilt bed trailer is designed to meet the demands of professional contractors, landscapers, and equipment haulers. Whether a full tilt bed trailer or a 16' tilt and 10 foot stationary deck, each model features the same high-quality construction and innovative tilt system that makes loading and unloading effortless.Standard Features

Every TB Series Tilt Trailer comes equipped with self-adjusting electric brakes for enhanced safety and control. The trailer rides on durable 16-inch E Range 10-ply tires, supported by Grade 50 3-inch channel crossmembers with 16-inch spacing for superior structural integrity. A treated wood deck, rub rail, and stake pockets ensure secure cargo transport. Additional features such as no exposed wiring, a cold-weather 7-way plug rated to -85°F, and bright LED lighting enhance reliability. A 2-5/16 adjustable coupler and an industrial-grade polymer finish ensure longevity, all backed by a 5-year frame warranty.Options

For added customization, the TB Series Tilt Trailer offers several upgrade options. Choose a gooseneck configuration for enhanced towing stability or add a hydraulic jack for effortless lifting. Fork holders provide convenient storage, while an 8K axle upgrade increases load capacity. A steel toolbox offers secure storage, and a white oak decking option provides enhanced durability over traditional wood decks.
