Description

The Midsota NSTWB24-BP-176 is a powerhouse flatbed trailer designed for demanding jobs and heavy equipment. With a 24-foot deck, 17,600 lb GVWR, and dual 8K torsion axles, it delivers exceptional strength and stability. Its 4-foot beavertail and full-width flip-over wedge ramps make loading smooth and safe, while drive-over steel fenders and 16-ply H-range tires ensure durability on tough terrain. Finished with industrial-grade polymer and backed by a 5-year frame warranty, this trailer is built to work hard and last long—perfect for professionals who need reliable performance every day.
