Description

Pace American 7' x 16' Outback DLX Enclosed Cargo Trailer
Versatile, durable, and ready for work or play, this Pace American 7' x 16' Outback DLX enclosed cargo trailer offers plenty of room for hauling motorcycles, ATVs, UTVs, lawn equipment, tools, and general cargo. The flat-top/sloped V-nose design provides a sharp appearance, while the .030 Black exterior and aluminum wheels with black accents give this trailer a clean, premium look.
Built with tandem 3,500 lb axles and a 7,000 lb GVWR, this Outback DLX is designed for dependable hauling. The 84" interior height provides additional headroom and cargo clearance, making it easier to accommodate taller equipment.
A rear ramp door with 12" extension provides a smoother loading angle for wheeled equipment, while the 32" side access door makes getting in and out of the trailer convenient. Interior LED lighting and a rear flare with LED loading lights provide added visibility when loading, unloading, or working after dark.
Features include:
7' x 16' enclosed cargo trailer
Flat-top with sloped V-nose
Tandem 3,500 lb axles
7,000 lb GVWR
.030 Black exterior
84" (7') interior height
Rear ramp door with 12" extension
32" side access door
