Description

Pace American Journey SE 7' x 16' Sloped V-Nose Cargo Trailer

The Pace American Journey SE 7' x 16' Sloped V-Nose Cargo Trailer offers the perfect combination of style, durability, and functionality for hauling equipment, motorcycles, ATVs, tools, and recreational gear. Built with quality craftsmanship and practical upgrades, this trailer is designed for dependable performance whether for work or play.

Featuring a 7,000 lb GVWR with tandem axles, the Journey SE provides a stable towing experience and ample cargo capacity. The aerodynamic sloped V-nose design improves towing efficiency while maximizing interior storage space. A premium composite black exterior gives the trailer a sleek, modern appearance while providing excellent durability and low maintenance. Loading is simple with the rear ramp door, enhanced by a second grab handle and a rear flare package with integrated LED loading lights for improved visibility during nighttime loading. Inside, the trailer is equipped with two LED dome lights evenly spaced along the ceiling for bright, efficient interior illumination.

Additional upgrades include black aluminum wheels, a matching spare tire and wheel, and Pace American's promotional package, making this trailer both functional and attractive.
