Description

The SureTrac STDU6208050 is a compact, low-profile homeowner dump trailer engineered for small contractors, property owners, and anyone needing reliable hauling power in a maneuverable size. Built on a 4"x2" steel tube frame with 3" C-channel crossmembers, this model delivers industry-leading structural integrity while staying light enough for easy towing with SUVs and light-duty trucks. Ideal for hauling mulch, dirt, debris, firewood, and residential project materials.

Frame: tube steel

Crossmembers: C-channel

Tongue: tube

Decking: 11-gauge smooth steel

Sides: Integrated side-body stiffening system

Axle: Easy-lube hub axle with brakes
