Description

The Sure?Trac STRLP10220TA?100 is built for contractors and professionals who need a serious work trailer that can handle daily use without compromise. With its 102" wide body, 20?foot interior length, and 10,000 lb GVWR, this trailer delivers the space, strength, and reliability required for tools, equipment, and job?site materials. Sure?Trac’s commercial?grade construction stands out immediately: a tube steel frame, integrated tongue, torsion axles, and full LED lighting create a trailer that tows smooth and holds up to real?world abuse. The one?piece aluminum roof and protected wiring keep your investment looking clean and performing reliably in all weather. Inside, the STRLP10220TA?100 offers a spacious, secure cargo area ready for shelving, racks, E?track, or full mobile?workshop builds. The reinforced rear ramp door makes loading fast and efficient, while the wide stance and heavy?duty frame give you the stability you need when hauling heavier loads.
