Description

Greenfield 102" x 18' Channel Deckover Trailer
The Greenfield 102" x 18' Channel Deckover Trailer is a dependable, heavy-duty trailer designed for hauling equipment, vehicles, building materials, and other oversized loads. Its full-width 102" deck provides ample loading space, making it an excellent choice for contractors, farmers, and property owners who need a versatile equipment trailer.
Built with tandem 6,000 lb Fayette electric brake axles, this trailer offers a 12,000 lb GVWR and reliable towing performance. The straight deck design maximizes usable deck space, while the 8' slide-in ramps provide convenient loading and can be stored securely beneath the deck when not in use.
An adjustable 2-5/16" bumper-pull coupler allows for proper hitch height adjustment, and the integrated A-frame toolbox offers secure storage for chains, binders, straps, and other hauling accessories. Riding on 225/75R15 tires, this trailer is finished in durable black paint over primer for lasting protection against the elements.
Key Features:
Model: Greenfield Channel Deckover Trailer
Deck Size: 102" x 18'
