? Why Choose the 2027 PJ T6202 Tilt Trailer?

The 2027 PJ T6202 is designed to eliminate the hassle of loading ramps. Its hydraulic tilt deck creates a smooth loading angle for equipment with low ground clearance, while the torsion suspension delivers a smoother ride and reduced maintenance compared to traditional spring axles.

With a 10,530 lb payload capacity, rugged steel construction, and PJ Trailers' reputation for quality, this trailer is an excellent choice for contractors, farmers, landscapers, municipalities, and anyone who needs a dependable equipment trailer built to perform every day.

?? Warranty

10-Year Lippert Torflex Axle Warranty

3-Year Structural Warranty
