Condition: New

Status: In Stock

Color: MAXXD Gray Metallic

OVERVIEW

Built for demanding commercial and heavy equipment applications, this 2026 MAXX-D Tandem Dual Hydraulic Dovetail combines premium engineering with unmatched loading convenience. The engineered I-beam frame, tandem 12K electric brake axles, HDSS suspension, and full 12' hydraulic dovetail provide exceptional durability, ride quality, and effortless loading of skid steers, excavators, tractors, and other heavy equipment. Premium upgrades including hydraulic jacks, wireless remote operation, solar charging, rear cargo lights, and onboard battery chargers make this trailer ready to work from day one.
