The Sure-Trac ST-UTT8218-140 is a 7 ft x 18 ft 14K Tube Top Utility Trailer engineered for contractors, landscapers, and equipment operators who need the versatility of a utility trailer with the strength of an equipment hauler. With a 14,000 lb GVWR and over 10,000 lbs of payload capacity, it is capable of transporting skid steers, compact excavators, mowers, and a wide range of equipment and materials.

Built with a heavy-duty 6" x 4" steel angle frame, dual 7,000 lb braked axles, a fully wrapped channel tongue, and pressure-treated wood decking, the trailer is designed for demanding commercial use. It also features 24-inch-wide heavy-duty mesh-covered loading ramps, an adjustable 2-5/16" coupler, a 12K drop-leg jack, LED lighting, and a durable powder-coated finish. Combining the accessibility of a landscape trailer with the hauling capability of an equipment trailer, the ST-UTT8218-140 offers exceptional durability, stability, and versatility, making it an ideal all-in-one solution for professionals who need to move both equipment and materials efficiently.
