The Pace American KP-SEC10216-100 is an 8.5 ft x 16 ft Journey® SE Enclosed Car Hauler designed for secure transport of vehicles, equipment, and valuable cargo. Built with a rugged steel tube frame and a 9,900 lb GVWR, this enclosed trailer combines strength, durability, and professional-grade features for demanding hauling applications.

This model features a 30-inch sloped V-nose design for improved aerodynamics, a semi-screwless VHB-bonded exterior, a one-piece aluminum roof, engineered wood walls and flooring, and a 4,000 lb spring-assisted rear ramp door for easy loading. Additional features include dual 5,000 lb brake axles, recessed D-ring tie-downs, LED lighting, a 32-inch beavertail, and a 36-inch side access door with flush lock.

Designed for automotive enthusiasts, contractors, and professional haulers, the KP-SEC10216-100 delivers excellent cargo protection, dependable towing performance, and long-lasting durability, making it an ideal enclosed trailer for transporting vehicles, equipment, and high-value cargo.
