Description

This 2027 PJ Trailers 102 in x 16 ft deck over trailer offers a full-width open deck in a more compact, easy-to-maneuver length. A C-channel frame with a wood deck creates a solid, stable hauling surface, and rub rails help protect cargo along the edges during transport. Dual 5,200 lb axles with brakes on both axles and EZ lube hubs provide dependable stopping power and easy servicing, while radial tires deliver a smooth tow.

Pull-out ramps make loading equipment simple, and the 2 5/16-inch adjustable coupler can be swapped to a pintle ring for added flexibility. A 10K tongue jack, stake pockets, sealed wiring harness, safety chains, spring suspension, and LED lighting complete this well-equipped deck over trailer. With a 9,899 lb GVWR, this PJ trailer in Black is priced at \$7,599.

Key Specs:
