Description

This 2027 PJ Trailers 102 in x 20 ft deck over trailer gives you a full-width, obstruction-free deck for hauling equipment, vehicles, or oversized loads. A C-channel frame with a wood deck provides a solid, stable surface, and rub rails help protect cargo along the edges. Dual 5,200 lb axles with brakes on both axles and EZ lube hubs handle stopping and servicing with ease, and radial tires smooth out the ride.

Pull-out ramps make loading straightforward, and the 2 5/16-inch adjustable coupler can be swapped to a pintle ring for added hitching flexibility. A 10K tongue jack, stake pockets, sealed wiring harness, safety chains, spring suspension, and LED lighting round out a trailer built for serious hauling. With a 9,899 lb GVWR, this PJ deck over trailer in Black is priced at \$7,999.

Key Specs:
