Description

This 2027 PJ Trailers 16 ft tilt trailer offers full-deck tilt for smooth, ramp-free loading of vehicles and equipment. The 6-inch C-channel frame and wood deck provide a rugged, dependable platform, while the powder-coated finish resists rust and wear over years of use. Dexter 7K axles with brakes on both and radial tires keep towing stable, and a front tongue tool box adds convenient job-site storage. A spare tire carrier and sealed wiring harness round out a well-equipped trailer, and the 2 5/16-inch coupler can be swapped to a pintle for added flexibility. With a 14,000 lb GVWR, this PJ Trailers tilt trailer is priced at \$9,299.
