Description

Erskine Industrial Tree Shear
This is a very gently used/very little use Tree Shear!
Will need a box for control or add a 14 pin connector.
Bobcat will need a whole control setup added.
Consignment Item.
The Industrial Tree Shears are built for aggressive land clearing and harvesting of larger trees and dense brush. This heavy-duty design handles trees up to 14 inches in diameter and offers optional hydraulic rotation for precise cutting control without leaving the cab.
Cuts trees up to 14 inches in diameter
Near-ground cutting capability
1.25-inch AR400 shear blade
High-force hydraulic shear cylinder
Vertical and horizontal cutting positions
High-visibility brush guard
