Description

2027 Rock Solid Cargo 8.5x26 Tandem Axle Enclosed Cargo Trailer – Black Polycore Heavy Duty Package

The 2027 Rock Solid Cargo 8.5x26 Tandem Axle Enclosed Cargo Trailer – Black Polycore Heavy Duty Package is designed for customers who need a spacious, dependable trailer capable of handling demanding jobs. Whether you're transporting race cars, show cars, motorcycles, UTVs, contractor equipment, or commercial cargo, this trailer offers the durability, security, and premium features to get the job done. Finished in a sleek Black .080 Polycore exterior, it provides a professional appearance while resisting dents, fading, and corrosion for years of dependable service.

With its spacious 8.5-foot wide body and 26-foot floor length, this trailer offers plenty of room for oversized vehicles, equipment, and tools. The aerodynamic V-nose design improves towing efficiency while creating additional storage space at the front of the trailer. Built with a heavy-duty steel frame and premium components, this trailer is ready for daily commercial use, weekend racing, or long-distance hauling.

Rock Solid Cargo is known for building some of the industry's toughest enclosed trailers, and this model continues that tradition. Featuring a 14,000 lb GVWR, heavy-duty tandem electric brake axles, LED lighting, radial tires, weather-resistant construction, and a durable one-piece Galvalume roof, this trailer is engineered to provide years of reliable performance in any environment.

At Southern Trailer Depot, we proudly carry one of the Southeast's largest selections of enclosed cargo trailers, race trailers, car haulers, and equipment trailers. We also offer financing for qualified buyers, rent-to-own options, and nationwide delivery to make purchasing your next trailer simple and affordable.

Whether you're looking for an 8.5x26 enclosed cargo trailer, 14K enclosed trailer, race trailer, contractor trailer, car hauler, equipment trailer, or Black Polycore trailer, this 2027 Rock Solid Cargo is built to exceed expectations.
