Description

The 2027 PJ UL is PJ Trailers' 83" tandem-axle channel utility trailer — the everyday workhorse for landscapers, homeowners, and light contractors hauling lawn equipment, mulch, materials, and general cargo. It is the trailer most owners end up using every week -- mowers, ATVs, furniture, dump runs -- and the tandem axles keep it settled at highway speed.
• 7K - GVWR with tandem 3,500-lb axles (one electric with forward self-adjusting brakes, one idler) on spring suspension
• 4" channel frame with 2-1/2" angle crossmembers on 24" centers

• 14FT deck with 2" treated pine flooring
• 2" x 2" top rail with formed channel uprights and stake pockets
• 9" x 72" removable aluminum treadplate fenders
• 2" Demco EZ Latch coupler with 5,000-lb swivel mount jack
• Lifetime LED lighting, 7-way molded wiring plug, and electric breakaway system
This unit also includes:
• ATV ramps
