Description

This 2026 Liberty 83 in x 20 ft equipment trailer is built to move machinery efficiently, with a self-cleaning dovetail and spring-assist ramps that make loading skid steers and compact equipment straightforward. A 5-inch channel frame with a wood deck provides a solid, stable hauling surface, and diamond plate fenders add durability where road debris hits hardest. Dual 5,200 lb axles with electric brakes on both axles keep towing controlled, and radial tires deliver a smooth ride. Stake pockets with a rub rail add versatility for hauling other cargo, and a tire mount keeps a spare within reach. A 2 5/16-inch adjustable coupler, 7K tongue jack, and sealed wiring harness round out a well-equipped build, and LED lighting keeps the trailer visible on the road. With a 9,990 lb GVWR, this Liberty equipment trailer in Black is priced at \$6,499.
