Description

Looking to upgrade your race trailer? We've got you covered!
Worth Trailer is proud to build custom rear sliding doors AND side sliding doors, designed for a clean, professional appearance while maximizing your trailer's usable interior space!
? STANDARD PRICING
Sliding Doors: $4,100
Standard Installation: $800
? TOTAL INSTALLED PRICE: $4,900
? PREMIUM CONSTRUCTION & FEATURES
? Powder-Coated Frames

? TIG-Welded Frames
? Shatter-Resistant Polycarbonate Glass
? Flush-Mounted Glass — Clean, Smooth Appearance & Perfect for Decals!
? Dust Seals
? Custom-Built Door Frames
? NO LOST INTERIOR HEIGHT!
The top loop of our door frame only drops 3" from the ceiling, which is less than the rear door opening.
THAT MEANS NO LOSS OF USABLE INTERIOR HEIGHT!
Our motto:
"IF IT FITS THROUGH YOUR REAR DOOR, IT WILL FIT THROUGH OURS!"
? QUICK TURNAROUND — EVEN FOR OUT-OF-TOWN CUSTOMERS!
In most cases, doors can be built ahead of time using just TWO MEASUREMENTS!
Installation can typically be completed in ONE DAY.
Out-of-town customers can often drop off their trailer in the morning and head back home later that afternoon with their new sliding doors installed!
? ADDITIONAL OPTIONS
Lights are also available for installation between the sliding doors and ramp!
? NATIONWIDE SHIPPING AVAILABLE!
Additional shipping costs apply.
