Price: \$9,995.00

Description

PJ Trailers 22' Equipment Tilt Trailer

Designed for easy loading and dependable performance, this 22' PJ Equipment Tilt Trailer is built to handle cars, tractors, skid steers, and compact equipment with confidence. The 16' hydraulic gravity tilt deck combined with a 6' stationary deck eliminates the need for loading ramps, making loading and unloading faster and safer.

Built on a rugged 8" I-beam frame, this trailer features tandem 7,000 lb torsion axles with electric brakes for a smoother ride, improved stability, and reduced maintenance compared to traditional spring suspension. A 2-5/16" adjustable Demco EZ-Latch coupler provides a secure connection and easy hitching, while the durable black powder coat finish offers long-lasting protection against the elements.

Features include:

22' overall length with 16' tilt deck and 6' stationary deck

Heavy-duty 8" I-beam frame

2-5/16" adjustable Demco EZ-Latch coupler

Tandem 7,000 lb torsion axles

Electric brakes on both axles

Hydraulic gravity tilt system for easy equipment loading

No loading ramps required

Durable black powder coat finish over primer

Whether you're hauling construction equipment, compact tractors, UTVs, or vehicles, this PJ Equipment Tilt Trailer delivers the strength, convenience, and quality PJ Trailers is known for.
