Description

PJ Trailers 20' Equipment Tilt Trailer
Built for reliable performance and effortless loading, this 20' PJ Equipment Tilt Trailer is an excellent choice for hauling tractors, skid steers, vehicles, and other equipment. The 16' hydraulic gravity tilt deck paired with a 4' stationary deck provides quick, ramp-free loading while maintaining a stable front deck for attachments or cargo.
Constructed with a heavy-duty 8" I-beam frame, this trailer rides on tandem 7,000 lb torsion axles with electric brakes, delivering a smooth ride and dependable stopping power. The 2-5/16" adjustable Demco EZ-Latch coupler makes hitching simple and secure, while the eye-catching Jet Blue powder coat finish over primer provides outstanding durability and corrosion resistance.
Features include:
20' overall length with 16' tilt deck and 4' stationary deck
Heavy-duty 8" I-beam frame
2-5/16" adjustable Demco EZ-Latch coupler
Tandem 7,000 lb torsion axles
Electric brakes on both axles
Hydraulic gravity tilt system for easy, ramp-free loading
Durable Jet Blue powder coat finish over primer
Whether you're transporting construction equipment, compact tractors, UTVs, or vehicles, this PJ Equipment Tilt Trailer offers the strength, convenience, and premium craftsmanship to get the job done with confidence.
