? Frequently Asked Questions

What can this trailer haul?

The PJ TH202 is ideal for hauling skid steers, compact tractors, cars, pickups, UTVs, scissor lifts, landscaping equipment, and other equipment weighing up to 7,459 pounds.

Is the entire deck hydraulic tilt?

Yes. This trailer features a full 20-foot hydraulic tilt deck, providing easy loading without the need for ramps.

Do I need a CDL to tow it?

The trailer has a 9,990 lb GVWR, which allows many customers to stay below common CDL thresholds depending on the combined weight of the tow vehicle and trailer. Always verify your local regulations and your vehicle's towing capacity.

Do you offer financing?

Yes! We offer competitive financing options for qualified buyers.

Do you deliver trailers?

Yes. We provide trailer delivery throughout Kansas and can arrange delivery to Colorado and surrounding states.

Why buy from Trailer Solutions LLC?

We stock one of the largest selections of PJ Trailers in the region and back every sale with knowledgeable service, financing options, trailer delivery, and a full parts and service department to keep your investment working for years to come.
