12,000 lb drop-leg jack

Rear stabilizer jacks

LED lighting

DOT-approved wiring and safety equipment

Powder-coated finish for long-lasting durability

When the job demands a tough, dependable dump trailer that can handle heavy loads day after day, this Panther Cargo 7x16 Tandem Axle High Side Dump Trailer is ready to work. Designed for contractors, landscapers, farmers, municipalities, and property owners, this trailer combines heavy-duty construction with premium features to help you move more material efficiently and safely. This model features a 16,000 lb GVWR, a 7x16 dump bed, and comes equipped with a spare tire for added peace of mind on the job.

Built with a rugged 10-gauge steel floor and 10-gauge steel sides, this Panther Cargo dump trailer is engineered to withstand the punishment of hauling gravel, dirt, sand, mulch, demolition debris, firewood, equipment, and construction materials. The reinforced 8-inch I-beam frame and 2x4 steel wall tubing provide exceptional strength and durability, making this trailer a dependable investment for years of demanding use.

Powering the dump bed is a heavy-duty 7-ton telescopic hydraulic cylinder that delivers smooth, reliable lifting performance, even with large loads. Whether you're unloading gravel on a jobsite or clearing storm debris around your property, the hydraulic dump system helps you complete the job faster while reducing manual labor. The included tarp kit keeps materials secure during transport, while the front steel toolbox protects the battery and hydraulic components from the elements.

The tandem 8,000 lb EZ-Lube axles with electric brakes provide excellent stability and dependable stopping power, while the 235/80R16 14-ply tires are built to carry heavy loads with confidence.

Rear stabilizer jacks improve safety during loading and unloading, and the included loading ramps allow you to transport compact equipment such as skid steers, mini excavators, zero-turn mowers, and other machinery with ease. An adjustable coupler, heavy-duty 12,000 lb jack, DOT-approved

LED lighting, and breakaway safety system complete this trailer's professional-grade equipment package.

Ideal For

General contractors

Excavation companies

Landscaping businesses

Tree service companies

Roofing contractors

Demolition projects

Farm and ranch operations

Gravel, dirt, and mulch hauling

Equipment transport

Property maintenance

Municipal and commercial fleets

Whether you're hauling construction debris, moving equipment between jobs, or tackling large landscaping projects, this Panther Cargo dump trailer is built to increase productivity while standing up to the toughest working conditions. Its heavy-duty construction, high payload capacity, and premium standard equipment make it an outstanding value for professionals who depend on their trailers every day.
