When you need maximum cargo capacity, premium construction, and dependable performance, this Rock Solid Cargo 8.5x36 Triple Axle Enclosed Car Hauler is built to exceed expectations.

Designed for racers, collectors, contractors, and commercial users, this heavy-duty enclosed trailer offers the strength and space needed to transport valuable vehicles and equipment with confidence.

Built by Rock Solid Cargo, this trailer is engineered with a rugged steel frame and premium materials to provide years of dependable service. Whether you're hauling race cars, classic cars, lifted trucks, side-by-sides, motorcycles, or commercial equipment, the spacious 36-foot floorplan gives you the flexibility to tackle almost any job.

The heavy-duty triple axle configuration provides outstanding stability on the highway while helping distribute heavy loads more evenly. Combined with electric brakes and a reinforced frame, you'll appreciate the confident towing experience whether you're traveling across town or across the country.

Inside, the trailer offers a spacious cargo area with approximately 7 feet of interior height, making it ideal not only for hauling vehicles but also for creating a mobile workshop, race support trailer, or commercial display trailer. The large rear ramp door makes loading easy, while the generous interior dimensions leave plenty of room for tools, spare parts, cabinets, or additional equipment.

Perfect For

Race teams

Show car enthusiasts

Classic and collector cars

Drag racing

Autocross

Side-by-sides (UTVs)

Jeeps and lifted trucks
