The Steel High Side Utility Trailer is a robust and versatile option designed to meet a variety of hauling needs. Featuring solid steel sides, this trailer offers exceptional strength and durability, making it suitable for a wide range of applications. Whether you're transporting bulky equipment, loose materials, or even small recreational vehicles, the high sides provide secure containment and protection, ensuring your cargo remains safe during transit.

Why Choose a Sure-Trac Steel High Side Utility?

One of the key advantages of the Steel High Side Utility Trailer is its ability to handle heavy loads with ease. Landscapers can use it to transport soil, mulch, and plants, while contractors can rely on it for hauling tools, construction materials, and debris. The high sides not only prevent spillage but also offer peace of mind when transporting items that require additional security.

The trailer's design incorporates thoughtful features that exemplify the Sure-Trac difference. Built to withstand rigorous use, the steel construction is resistant to wear and tear, providing long-lasting performance. The trailer is also equipped with user-friendly features that enhance its functionality, such as a spring-assist ramp gate for easy loading or the setback jack that clears your tailgate.

Additionally, the Steel High Side Utility Trailer is perfect for weekend warriors and outdoor enthusiasts. It can easily accommodate small vehicles, ATVs, and motorcycles, making it an excellent choice for transporting equipment to recreational activities or events.

The Steel High Side Utility Trailer combines strength, versatility, and practicality to serve a multitude of applications. Its solid steel sides provide secure containment, while its durable construction ensures reliability. Whether you're tackling a professional job or heading out for a weekend adventure, this trailer is a dependable companion that meets your hauling needs with confidence.

Featuring 13" tall solid steel sides with tube tie-down rail, the Steel High Side Utility trailers are ready for the toughest jobs in landscaping, construction, or heavy duty homeowner applications. These trailers feature welded D-rings, heavy duty fold-flat gate with spring assist, setback jack, rubber mounted sealed LED lights, and enclosed wiring. The Steel High Side trailer is available in many sizes, including single axle and tandem axle configurations.
