Description

7x14 15K Dump HD - I Beam Frame
The 7x14 15K HD Dump Trailer with 4-foot sides combines extended bed length with a reinforced I-beam frame for heavy-duty performance. The taller steel side walls increase payload volume and improve load containment, making this model a strong choice for large cleanup, construction, and landscaping jobs.
Premium Dump Trailers
Our Premium Dump Trailers offer enhanced strength, versatility, and advanced features for heavy-duty hauling.
**Key Features: **
Heavy-duty I-beam frame for maximum strength and durability Telescopic or hoist cylinder options for flexible lifting solutions Spreader gates with barn-style doors for controlled unloading Oversized toolbox and optional tarp with cover for convenience Multiple floor options: 10-gauge or 3/16" metal depending on model Designed for long-lasting, heavy-duty performance on every load Premium Dump Trailers are ideal for demanding work environments, delivering the strength and features needed for professional hauling and large workloads.
Premium Style
Our Premium Style trailers offer added strength, durability, and a cleaner look. Tubing construction is ideal for heavier loads, frequent use, or customers who want a longer-lasting investment.
