Description

Offered in multiple lengths, the United Hotshot has versatile and durable design features, including a 30K capacity B&W turnover ball, steel treadplate fenders, stake pockets, headboard chain hanger, and a two-and-a-half-inch receiver tube. Need more? Add options like drop-in sides or front and rear gates, underbody toolboxes, B&W 5th wheel companion, or a brake controller.

Wil-Ro's United Hotshot will maximize transporting efficiencies with ease and reliability.

We separate ourselves from the competition with quality and rich tradition cultivated for more than 45 years. As a veteran-owned business, we're proud to build American-made flatbeds for your work vehicle, whether it's a brand new truck or has been your trusty companion for years.
