Description

Wil_Ro Landscape Dump Body

12' Length

Barn Style Rear Doors

Hoists Sized to Truck

24" Fold Down Sides

This truck bed comes equipped with a Venco electric-over-hydraulic hoist. The fold-down sides allow for easy access to materials and the ability to load and unload from either side of the truck while containing the load safely in the bed.

Add features such as underbody toolboxes, a wheelbarrow rack, and a 2-foot wide cross box with a shelf for extra storage and organization. A manual tarp is available to cover the truck bed and its contents for additional protection from the elements. Additionally, you can add a removable dovetail to this truck body, creating a more versatile vehicle suitable for any landscaping design, architecture, or maintenance tasks.
