Price: $6,800.00

Description

Steel Stepside
Bradford Built Stepside standard features include powder coated black for a good shine and an easy to wash durable surface. Four inch flip-down sides on greaseable hinges are outfitted with flush mount tie downs for securing loads. Sealed beam LED lights and a 30,000# capacity recessed gooseneck ball are also included.
Fender Flares
Wide treadplate fenders with steps help with access to deck.
Formed Headache Rack
Our formed Headache Rack is a signature look of our beds. This feature comes standard with stop and reverse lights as well as side markers. You will for sure be seen with these added lights.
Gooseneck and Receiver Hitches
We build every bed with a recessed 30,000# rated 2 5/16" Gooseneck Hitch. Receiver hitch now at 2.5" and rated at 24,000# Tow/1,800 hitch weight based off of use of standard receiver with top of ball level with bottom of receiver tube. If you are using a different hitch (drop or pintle) please call with specs so we can give you a specific rating.
