Monthly: $2,000.00

Description

Need extra deck space for hauling equipment, vehicles, or materials? This 2023 Mission MDO 101x25 Deckover Trailer is available for rent and combines a spacious 25' x 8'5" deck with lightweight, durable aluminum construction.

The deckover design provides maximum usable deck width, while the 5' dovetail and heavy-duty knee ramps make loading and unloading equipment easier. A wood deck, recessed tie-downs, and rub rail with stake pockets provide plenty of options for positioning and securing your load.

Rental Trailer Details & Features:

Year: 2023

Building materials and supplies
Other large or oversized loads within rated capacity

Whether you're moving equipment to the jobsite or need a large, versatile trailer for a temporary project, this Mission MDO Deckover offers the deck space, loading features, and tie-down options to make hauling easier.

Available now — contact us today for rental rates, availability, and reservations.

Please verify the listed 1,400 lb. GVWR and axle capacity before publishing, as those figures appear unusually low for a 25' tandem-axle deckover trailer. Renter is responsible for ensuring the tow vehicle, hitch, trailer, and load remain within all applicable rated capacities.

Features

- Doors, Windows & Ramps
    - Fold Up Split Ramps
