Description

The Eagle FU610SA is a rugged 6' x 10' single-axle utility trailer built for hauling with confidence and ease. It features a 2" coupler with a 2,000 lb top-wind tongue jack, a 3,500 lb idler axle, and a longer rectangle tube tongue for added stability. The deck is made from 2" x 6" #2 or better fir, framed by 24" solid metal sides and a square tube top tie rail for secure cargo containment. With sealed beam LED lights, 15" radial tires, and a 4' ramp gate rated at 1,500 lbs, it’s designed for both safety and convenience. Tie-downs include four J-hooks per side and a front-mounted spare tire bracket, making it ideal for transporting tools, equipment, or recreational gear.
