Description

The Nexhaul Twin Cylinder Dump Trailer is built around one of the toughest dump trailer designs available, delivering smooth, controlled dumping through dual lift cylinders with hydraulic up and hydraulic down operation. A 3/16-inch steel floor supported by 12-inch on-center crossmembers provides long-term durability for demanding work. Standard features such as electric brakes, LED lighting, and loading ramps ensure safe, dependable operation, making this trailer ready for heavy, consistent use across a wide range of job types.
